

CALL FOR SUBMISSIONS

The MY HERO Project - Mentorship Program

Students, teachers, artists, activists, and community leaders are invited to take part in a special program to produce short films, art, audio and web pages about local heroes. Celebrate the work of an individual or non-profit organization that you admire, and share your hero story with the world.

ABOUT THE PROGRAM

Thanks to support from the Laguna Beach Community Foundation The MY HERO Project has equipment and mentors available to support individuals interested in producing short media projects that honor heroes in our community. Special consideration will be given to projects with environmental themes and with a focus on disaster preparedness.

Gain skills in media production. Learn to shoot, edit, and produce your hero story.

Equipment and postproduction tools will be made available to those with compelling stories to share.

HOW TO APPLY: PITCH YOUR IDEA!

Send in a one page treatment for your project that includes:

1. Your name and grade (if applicable)
2. Your email and phone number
3. The name of your hero/organization
4. Short story synopsis (Please tell us who, what where, when, and why this story needs to be told.)

Works completed through this mentorship program will be featured at the 7th Annual Laguna Hero Fest and on the MY HERO website.
