

Strengthen the bonds of humanity

The MY HERO Project is a non-profit organization that uses media, art and technology to celebrate the best of humanity. We serve millions of students around the globe through our website, teacher training and media arts educational programs.

MY HERO works to bridge the digital divide, promotes peace and understanding, and allows people – especially youth – to have their voices heard in a safe, commercial-free environment. With over 20 million page views annually, MY HERO has a profound impact on teachers and students throughout the world.

Now, more than ever, we need your help to meet the ever-growing demand for online learning and quality content that can teach, illuminate and inspire.
