MY HERO JOURNALISM AND FILMMAKING WORK BOOK (HIGH SCHOOL FILM PROGRAMS)

The MY HERO Journalism & Filmmaking Workbook, written by **Jonah Setinhart**, is designed to take the mystery out of making a hero-themed documentary for high school students. The book also features a foreword by renowned global educator and author **Esther Wojcicki**, sponsor of the annual 'WOJ' Youth Reporter Award at the MY HERO International Film Festival.

MY HERO offers hands-on professional support for high school film programs interested in implementing our workbook. Included in this program is free entry to our international film festival as well as film placement on the MY HERO website.
