YOUR OWN MINI FILM FESTIVAL

Host a Mini Film Festival: Now that you're done it's time to watch your work! While watching everyone's films, here's some things to keep in mind

1. Just like in a movie theater, voices should be off and your attention should be on the films
2. After every film, make sure to clap and cheer on your classmates
3. Notice parts of your classmates films that you like. You can let them know afterwards and keep it in mind for when you make your next film

SUBMITTING YOUR FILM

You've finished your film!

Now it's time to let an audience see it! There are a number of ways to do so.

If you've made your film using this workbook, you've created a documentary film that is ideally suited to MY HERO's Woj Youth Reporter contest. For directions on how to enter, use the link below.
