

The MY HERO Project GLOBAL LEARNING CIRCLES

STUDENT GUIDE

Session 1, 2018

January 30, 2018 – May 25, 2018

WELCOME

Welcome to the Circles!

Below is a checklist for students that will help you get off to a good start and navigate your way successfully.

It is important to know that you are participating in TWO separate website organizations (iEARN and MY HERO) that make up the MY HERO Global Learning Circles.

CHECKLIST

iEARN.org: Sign in and participate in the STUDENT FORUMS through iEARN.org only.

MY HERO: Explore our stories, art, short films and audio to see what inspires you.

Go to www.myhero.com

MY HERO: Register as a STUDENT after your teacher gives you a CLASS CODE:

www.myhero.com/register

(Caution! Please don't register as a teacher/educator or you might lose your future content!) There are four ways to share your HERO and there are tutorials in each section:

Example profile page

MY HERO: Explore the MY HERO Global Learning Circles link:

www.myhero.com/learningcircles

After your class has completed the MY HERO Class Survey and shared it with your CIRCLE PARTNERS your teacher will add you to the STUDENT FORUM in the iEARN.org forums section.

Student Forum Etiquette: Your teacher will discuss how to participate in your student forum. Remember you are partnered with many different countries and cultures so respect is important. ENJOY.

If you decide to share your hero story in a short film, it's good to start working on that fairly quickly as it takes time to do all the steps but all tutorials needed are HERE: <http://myhero.com/films/MediaArts-Overview-Lesson-Plans>

I hope you have a great time and I look forward to learning about your HEROES!

Cheers,
