EXT. SCHOOL PLAYGROUND - DAY

During recess, Leslie walks through the crowded playground towards an outdoor Girls' Restroom.

Janice and one of her friends, JANICE FRIEND #1, lean against the Girls' Room door.

LESLIE
(to Janice)
Excuse me.

Janice immediately steps in Leslie's way, completely blocking the door.

JANICE
Got a dollar?

LESLIE
No.

JANICE
You're gonna have to use your pants.

LESLIE
What's your problem?

JANICE
You got that backwards. You got the problem.

Janice gets in Leslie's face. Leslie steps back.

JANICE (CONT'D)
Yeah, that's right new girl.

Leslie looks down, sees Janice's feet in open-toed sandals.

LESLIE
(mumbling)
Nice feet.

JANICE
You say something?

LESLIE
What I said was, have you ever heard the story about the trolls under the bridge, who collect tolls from unlucky travelers?

JANICE FRIEND #1
Trolls? What is she talking about?

Leslie tries to slip past them into the bathroom. Janice slams her arm across the entrance.

JANICE

Nice try, beanpole. It's still a dollar.

JANICE FRIEND #1

Yeah!

Intimidated, Leslie looks at the two girls, then walks away.
